

Learning at the edge...

Experience the training...Gain the skills!

Vancouver/Winnipeg 2007

Discover tools to help your clients engage in revolutionary processes that take them to a deeper, more profound level of courage, contentment, and wisdom.

Champion their transitions from good to great, fear to peace, victim to empowerment, and success to significance.

Coaches, Consultants, Therapists /Counselors

Collaborate with your clients to...

Awaken a deep sense of presence within personal context and environment...

Uproot fear and experience all of life—full-on with an open heart...

Access intuition, creativity, and wise-decision-making...

Transform limiting beliefs at the core level...

Align behaviour with values and beliefs...

Shift state of being from victim to whole-hearted acceptance of the flow of life...

Expand identity beyond the sense of self...

Connect to the oneness of all things...

"The **miruspoint**[®] Facilitator Training was by far the most valuable and uplifting training experience of my life. While learning to facilitate a powerful, cutting edge process for the benefit of others, I experienced profound shifts in my own life, personally and professionally. The skill and leadership of the **miruspoint**[®] instructors are world class...This process is filled with genius and love. I would highly recommend this program to anyone who is ready to step up."

Ken Guzzo, Business Consultant/Coach/Motivational Speaker, San Francisco

Caution: This training is not for the faint of heart. If you want to engage in life-altering, uprooting, radical, cell-reconfiguring, transformative change, **this training is for you!**
